

AMANDA E. STAIANO, PH.D.

Postdoctoral Research Fellow • Division of Population Science
Pennington Biomedical Research Center • Louisiana State University System
6400 Perkins Road • Baton Rouge, LA 70808
Phone: 225.763.2729 • Email: Amanda.Staiano@pbrc.edu

EDUCATION

Ph.D., Developmental Psychology , Georgetown University, Washington, D.C.	2010
Master of Public Policy , Georgetown University, Washington, D.C.	2009
Bachelor of Science, Psychology , Louisiana State University, Baton Rouge, Louisiana Minors: Nutritional Science and Sociology Honors College, <i>magna cum laude</i>	2007

ACADEMIC POSITIONS HELD

Postdoctoral Research Fellow Physical Activity and Obesity Epidemiology Laboratory Division of Population Science Pennington Biomedical Research Center, Louisiana State University System	2011-present
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------

HONORS AND FELLOWSHIPS

NIH National Research Service Award (NRSA) Postdoctoral Fellowship, T32DK064584-06, Brantley, Pennington Biomedical Research Center	2011-present
University Graduate Fellowship, Georgetown University	2007-10
Phi Beta Kappa, Leadership LSU, Tiger 12	2007
Omicron Delta Kappa, Phi Kappa Phi, Mortar Board	2005
Rho Lambda, Order of Omega, Phi Eta Sigma, LSU Homecoming Court	2005

PROFESSIONAL ASSOCIATIONS

Member, American Association for the Advancement of Science	2011-present
Member, American College of Sports Medicine	2010-present
Member, American Heart Association	2011-present
Member, American Psychological Association of Graduate Students	2003-10
Member, American Public Health Association	2011-present
• Physical Activity Special Interest Group	
Member, Association for Psychological Science	2010-present
Member, International Communication Association	2010-present
• Children and Media Division and Game Studies Division	
Member, International Society for Physical Activity and Health	2011-present
• Policy Brief and Policy Change Work Group	
• Youth Studies Work Group	
Member, Louisiana Childhood Obesity Research Consortium	2011-present

Member, Louisiana Psychological Association, Student Affiliate	2003-07
Member, Society for Research in Child Development	2009-11
Member, The Obesity Society	2008-present
• Committee Member, Public Affairs	2011-13
• Committee Member, Membership	2009-11
• Contributing Writer, <i>TOS Times</i> conference newsletter	2011

PROFESSIONAL DEVELOPMENT

Participant, Policy Orientation for the Louisiana Legislature, Pelican Institute	2011
Participant, Science: Becoming the Messenger, National Science Foundation	2011
Participant, NIH Grant Writing Workshop, The Grant Training Center	2011
Participant, Responsible Conduct of Research, Pennington Biomedical Research Center	2011-present

PROFESSIONAL SERVICE

Graduate School Academic Integrity Committee, Georgetown University	2010
Department of Psychology Graduate Student Committee Chair, Georgetown University	2010
Graduate Public Affairs Council of Washington, D.C., Founding Board Member	2008-09
Public Policy Student Association, Secretary/Treasurer, Georgetown University	2007-09
Provost Council, Louisiana State University	2006
Psi Chi Honor Society Vice President, Louisiana State University	2004-06
Honors College Executive Board, Vice President, Louisiana State University	2003-06

Invited Conferences and Symposia

- Session Chair (2011), Adiposity in Children and Adolescents: Correlates and Clinical Consequences of Fat Stored in Specific Body Depots. Pennington Biomedical Research Center Symposium Series, Lod Cook Conference Center, Louisiana State University, Baton Rouge, LA, December 4-5, 2011.
- Invited guest (2011) at the American Heart Association and Nintendo Power of Play gaming summit, University of San Francisco, Santa Barbara.
- Invited guest (2010) at the Newsweek forum about childhood obesity featuring First Lady Michelle Obama, Newseum, Washington, D.C.

Media Presentations

- Interview for Hometown Productions, Inc. Childhood obesity and public health. (September 14, 2011). Cited for The Washington Post by Margaret Webb Pressler titled, Wii in PE? If it gets you moving. (January 11, 2011). Online at <http://www.washingtonpost.com/wp-dyn/content/article/2011/01/10/AR2011011006126.html>
- Interview for Christian Broadcast Network by Jennifer Wishon titled, First lady campaigns against childhood obesity. (February 14, 2010). Online at <http://www.cbn.com/cbnnews/healthscience/2010/February/First-Lady-Launches-Campaign-Against-Childhood-Obesity/>
- Interview for Delaware Online by Edward L. Kenney titled, P.E. with a Wii: Computer games are transforming gym classes, but is it for the better? (October 6, 2009). Online at <http://www.delawareonline.com/article/20091006/LIFE/910060304>

Submitted Abstracts

Flynn R., **Staiano A.E.**, Calvert S.L., and Richert R. Exergaming as a viable fitness intervention for minority youth. International Communication Association, May, 2012.

Broyles S.T., **Staiano A.E.**, Drazba K.T., and Katzmarzyk P.T. Household clustering of excessive television viewing time in youth. International Society for Behavioral Nutrition and Physical Activity, Austin, TX, May, 2012.

Staiano A.E. and Katzmarzyk P.T. Stepping off the scale: The future of obesity measurement in children and adolescents. The Obesity Society, San Antonio, September, 2012.

INVITED LECTURES

Staiano A.E. What do you mean I only get 30 minutes of screen time?! Pros and cons of exergaming. 63rd Annual Meeting of the National Hemophilia Foundation, Chicago, IL, November, 2011.

Staiano A.E. Beyond height and weight: Characterizing the health risks of childhood obesity. Reducing Childhood Obesity in Louisiana: Charting the Course for 2020. Pennington Biomedical Research Center Childhood Obesity and Public Health Conference 2011, Baton Rouge, LA, September, 2011.

NON-PEER REVIEWED PAPER AND PANEL PRESENTATIONS

Exner A. *In-school physical education: Impact on academic performance and health status among U.S. adolescents.* Paper presented at the annual thesis forum, Georgetown Public Policy Institute, Georgetown University, Washington, D.C., April, 2009.

Exner A. *Impact of media on childhood obesity.* Presented to the Hong Kong Council of Social Service, Georgetown University, Washington, D.C., December, 2008.

Exner A. *Impact of media on childhood obesity.* Presented to the Education Research Division of the National Science Council from Taiwan, Georgetown University, Washington, D.C., September, 2008.

Exner A. *Psi Chi workshop: Sharing the glory, sharing the pain.* Invited panelist for the Psi Chi Southwestern Regional Convention at the Southwestern Psychological Association conference, Austin, TX, March, 2006.

Tipton M. and **Exner A.** *Service as a component to an honors education.* Presented at the annual conference of the National Collegiate Honors Council, New Orleans, LA, April, 2004.

GRANTS AND SCHOLARSHIPS AWARDED

Georgetown University Graduate Student Conference Travel Grant, 2010. Amount: \$1,000.

Funded travel to International Communication Association conference, Singapore.

Georgetown University Department of Psychology, 2010. Amount: \$500.

Funded travel to International Communication Association conference, Singapore.

International Communication Association Game Studies Division grant, 2010. Amount: \$75. Funded registration fee for International Communication Association conference, Singapore.

Georgetown University Department of Psychology, 2009. Amount: \$750.

Funded independent research with the National Longitudinal Study of Adolescent Health.

Georgetown University Graduate Student Conference Travel Grant, 2009. Amount: \$500.

Funded travel to Society for Research in Child Development conference, Denver, Colorado.

Zeta Tau Alpha Founders Scholarship, 2009. Amount: \$8,000.

Omicron Delta Kappa Scholar, 2007. Amount: \$1000.

CONTRIBUTIONS TO GRANT SUBMISSIONS

Robert Wood Johnson Foundation Health Games Research, 2009-11

Wii Active exergame intervention for low-income African American obese and overweight adolescents. Dr. Sandra L. Calvert (P.I.) and Dr. Anisha Abraham (Co P.I.).

Amount: \$138,847. Funded dissertation research.

TEACHING EXPERIENCE

Instructor, PSYC 347, Adolescent Health Psychology, Georgetown University, 2010

Taught upper-level undergraduate seminar for 15 students. Designed syllabus, assignments, and all course materials

Apprenticeship in Teaching program, Georgetown University, 2009-10

Attended 6 teaching workshops; completed syllabus design, classroom observation, videotaped observation, and teaching philosophy statement; special transcript notation

Teaching Fellow, Research Methods and Statistics, Georgetown University, 2009

Supervised by Darlene Howard, Ph.D. Led weekly recitation sections; taught SPSS and advised students in creating research projects; attended lectures; graded research projects

Guest Lecturer, PSYC 361: Children and Technology, Georgetown University, 2009

Presented lecture titled Media and Health (Spring 2009, Fall 2009)

Guest Lecturer, PSYC 347: Special Topics - Inequality and Public Policy, Georgetown University, 2009

Presented lecture titled Neighborhood and Obesity (Fall 2009)

Teaching Fellow, Children and Technology, Georgetown University, 2008

Supervised by Sandra Calvert, Ph.D. Guest lectured; attended lectures; helped to create and grade exams; recorded grades; advised undergraduate and graduate students

Teaching Fellow, General Psychology, Georgetown University, 2007

Supervised by Ali Moghaddam, Ph.D. Graded exams; advised students
